**THINKS:** Oh, I wish Ms. St. Jean would stop rambling on about how wonderful this bizarre novel - Brave New World is!

**SAYS:** "Yes, Ms. St. Jean. Huxley's dystopian satire is quite engaging! You're right. This government controlled society based on meaningless mottos and mindless distractions is amazing! I can see that especially in today's society, how relevant Huxley's warning is!"

**DOES:** 1) - Texts friend when Ms. St. Jean isn't looking. Sends friend a emoticon of a bored smiley face.

2) - Uses iPhone reverse photo feature on camera app to check hair.
